Are you looking for a fun and exciting outdoor camp? Nature comes alive at our ECO-Adventure camp!!

Do you enjoy getting your feet wet exploring streams searching for crayfish, salamanders and frogs? Come and join us at Catoctin Creek Park for a summer filled with outdoor adventures. Choose from one or more of our eight camp sessions. Each week will include a weekly focus as well as the following core activities: creek walks, nature hikes, team building games, and archery practice. Please note activities are subject to change due to heat advisories and unsafe weather conditions.
